- 1) This Bill of Sale constitutes the entire agreement. The dealership will not honor or be held liable for any promises or conditions not shown on this bill of sale.
- 2) Errors and Omissions - If there has been an error by the dealership in any calculation on the bill of sale, both parties agree that the errors are to be corrected promptly. If such a correction requires any amount to be paid by one party to the other, such an amount shall be paid promptly.
- 3) The dealership will not be liable for any delays in product delivery.
- 4) The purchaser understands that they should test their boat package at a local lake prior to use outside of the local dealership's area.
- 5) In the Event of Product Failure - The purchaser agrees to be bound by the terms and conditions of the manufacturer's warranty including, but not limited to the following: a) The purchaser agrees to pay for all related costs of shipping the unit to an authorized warranty shop for repairs, b) The purchaser agrees that all warranty repairs must take place prior to warranty expiration, c) The purchaser agrees that the dealership will not be held liable for costs incurred, loss of use or lost enjoyment of the product resulting from product failure, d) The purchaser is responsible for regular maintenance and upkeep of product. Declining the anti theft registry negates any and all benefits of insurance offered. (5 year term, renewable to 10 years, \$5000 replacement assistance*) *Some conditions apply.
- 9) The Finance Contract Service Fee (\$199) is not optional when the purchaser chooses the dealership's in house financing service. The finance contract service fee covers the preparation of documentation, phone/fax/photocopy costs and documentation storage and maintenance for 7 years.
